**Caleb:** \_Daybreak\_ starts at 4:30 tomorrow.

**Caleb:** And how's your wx?

**Caleb:** (that's how we in the biz spell 'weather')

**Caleb:** Us in New England are getting another good snow.

**Caleb:** One good thing about the snow is that you can take off more clothes but when it rains you can only humid off so much dry heat is better because there's a breeze.

**me:** it just snowed here

**Caleb:** I ran over your cat last night, etc.

**Caleb:** And then I was forced by my friends to get out of the car and watch as one of them threw rocks and sticks at the still-breathing remains.
